WELCOME FROM THE EXECUTIVE DIRECTOR.

The program you are entering will be the start of what I hope to make a most pleasurable tennis experience for you. The SCJTL staff and I will do our best to give you the best "adventure" we can offer. By competing among your peers you will learn things that will help you improve and enjoy your tennis as much as you want. You will be placed on a team where you can make friends and play local matches and compete in the **SCJTL Challenges** at Mt. Sinai school tennis courts.

The **2009 Competition Squad** offers team tennis style training and USTA Junior Team Tennis competition. Staffed by SCJTL Player Development Coaches this program will train players in grades 7 through 12 to compete on school tennis teams and USTA tournaments. SCJTL plans to enter qualified teams on the 2009 USTA Junior Team Tennis Regional and Sectional summer competition. SCJTL Teams will play each other during the program period. Regional teams will compete against Long Island for a chance to compete in the USTA Eastern Summer Sectionals.

SCJTL Challenge Series. This is a series of singles tournaments for White & Blue Division players played at each SCJTL location. Winning is based on a point system. Points earned at each tournament will result in an SCJTL ranking. Participation is limited to SCJTL league and camp participants in programs starting July and ending in June of the following year.

The **SCJTL** Coaching staff and I look forward to helping you have a lot of fun doing something we all enjoy, *playing tennis!*

See you on the courts!

Joe Arias
